

# FRONTIER 6 SENDS

---

Labor Day officially marks the end of the summer while recognizing the hard work and economic achievements of American workers. It is a tribute to the strength, prosperity and well-being of our country. During the extended weekend, I know many of you will enjoy the great outdoors and recreational activities. This is a great opportunity to take a well deserved break and recharge before the fall season gets into full swing.

I encourage you to enjoy this weekend while being mindful of you and your loved ones safety. Safety awareness and risk management begins with each and every Soldier, Family member, and Civilian. Those who take unnecessary risk not only place themselves at risk, but also all those around them. While enjoying this opportunity to relax, ensure safety awareness is an integral part of your recreational activities.

To achieve this goal, I need all Commanders and Directors to issue pre-holiday safety briefings, in addition to a risk management mindset being forefront for every member of the Combined Arms Center and Fort Leavenworth.

The Combined Arms Center and Fort Leavenworth is committed to teamwork, discipline and protecting our greatest assets – our Soldiers, Family members, and Civilians. Thank you for your dedication and support. Let's work together to ensure you and your families have a safe and enjoyable Labor Day weekend. Army Strong!

A handwritten signature in blue ink, reading 'Robert B. Brown', is positioned above the typed name.

ROBERT B. BROWN  
Lieutenant General, USA
